

COWS, COOKS & CASSEROLES

RECIPE BOOK ORDER FORM

In conjunction with the 26th annual Northern Territory Cattlemen's Association AGM and Industry Conference held in Darwin in March 2010, the ladies of the NTCA compiled and produced this cookbook, which was launched by Mrs. Tessa Pauling at the Ladies' Day Luncheon held on 25 March 2010.

Profits from the sale of each cook book go to support the McGrath Foundation in its quest to place breast care nurses in hospitals in rural and regional Australia and to educate young women to be breast aware.
