

THANK YOU - NORTHERN TERRITORY

WEDNESDAY, November 30 – Parliament House

The banning of live exports to Indonesia in June created a crisis which had major negative impacts on the lives and businesses of many Territorians. While the trade has recently resumed and industry and government remain focussed on delivering a high standard of animal welfare, these impacts will linger for some time. We have a long way to go to recover confidence and economic stability.

Throughout this crisis the NTCA and our industry continue to be overwhelmed by the support of everyday Territorians, of the Parliament, the Government and businesses.

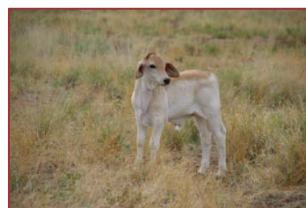

We want to say thank you for your support.

We invite you to an informal BBQ at Parliament House on November 30, at 6.00pm to 7.30pm, Nitmiluk Lounge on the 4th Floor. We will be supplying local meat and sausages produced and supplied by Gunbalanya Meat Supply

There will be an address from the NTCA President and NT parliamentarians.

This will also be a good chance to catch up before Christmas.

Supported by Coopers Animal Health, the Indigenous Land Corporation and the NT Government.

Please RSVP to office.darwin@ntca.org.au by Tuesday November 29.
